SURVEY & LIBRARY RESEARCH AND FIELD WORK

- 2009 **Pakistan** Research on “The State and the Insurgency”
- 1999-2009 **Turkey** (multiple trips)
Research for *Economies and Identities* and *Trauma and Memory in Istanbul*
- Sept. 1997-
Dec. 2006 **India** (multiple trips)
Research for *Economies and Identities*
- June-August 1994 **Saudi Arabia**
Dec.-August 1995 Follow-up research.
- July-August 1993 **Algeria**
Research on changes in Algeria's economic liberalization program. Conducted interviews with cabinet members, bureaucrats, central bank officials, industrialists, foreign company managers, UGTA labor leaders and state sector managers. Gathered reports, statistical information and published monographs on the economy and established contacts for future research and academic exchange.
- December 1991-
January 1992 **Yemen Republic**
Research on the causes of the collapse of the socialist economy in the PDRY and on the economic effects of the Yemeni unification on the socialist south. Collected documents and conducted extensive interviews with businessmen, farmers, bureaucrats, Socialist Party leaders and opposition leaders on the privatization of nationalized and confiscated agricultural lands, industries and urban housing.
- January 1991 **Iraq**
Week long visit to study the effects of economic sanctions on Iraqi consumers and on the political climate in Iraq. Informal interviews with previous contacts in business community and with personal acquaintances. Formal interviews with several state officials.
- September 1989-
November 1989 **Iraq**
Field work for larger project on economic reform and privatization in socialist and oil producing countries in the Middle East. Interviewed industrialists, businessmen, contractors, bankers, labor leaders and bureaucrats in Baghdad, including the ministers of finance, industry, trade and planning. Visited privatized industries in services, food processing, dairy and agribusiness sectors. Gathered government data on economic reforms and the performance of state industries.

(Survey & Library Research and Field Work, continued)

- August 1989 **London, United Kingdom**
 Archive research on the Iraqi economy, labor relations, foreign companies and economic regulation in Saudi Arabia and Yemen from 1920-1958. British Public Record Office.
- Sept. 1985-1986 **Saudi Arabia**
 June 1987 Dissertation field research on the effects of oil revenue and labor remittances on state and private financial institutions, taxation, bureaucratic development, urban and rural investment, formal and informal banking and the history of the business class. Conducted extensive interviews with contractors, bankers, industrialists, importers, migrants, bureaucrats, remittance agents, money exchangers and legal experts. Collected internal documents and memoranda from the Finance, Justice, Labor and Commerce ministries, Chambers of Commerce, central banks and other relevant government agencies. Archival research Al M'had Idara al 'Ammah (national archive of Saudi Arabia housed at the Institute for Public Administration, Riyadh.)
- Sept. 1996-1997 **Arab Republic of Yemen**
 Dissertation field research on labor remittances. Studied impact of remittance earnings in Ta'iz, Hujarriyah, Hodeidah, San'a and Ma'rib. Conducted extensive interviews with informal bankers, migrants, businessmen, government officials, labor brokers and rural cooperatives.
- July-
 August 1985 **London, United Kingdom**
 Studied at the British Public Record Office and the Foreign Office archives on historical material on Saudi Arabia and Yemen. Examined currency markets, commerce, trade, banking, and commercial dispute records. Read British correspondence with Ibn Saud and Sherif Hussain of Mecca.
- .
 1985 **United Arab Emirates and Saudi Arabia**
 Preliminary research for dissertation field work.
- Summer 1982 **Center for International and Strategic Studies, Georgetown University**
 Researched and wrote paper on ethno-nationalist movements in Baluchistan and Pushtunistan, assessing implications for Soviet and American policy in Afghanistan, Iran and Pakistan.

(Survey & Library Research and Field Work, continued)

- 1979 **Survey Research in Pakistan**
University of Michigan Honors Council
Conducted survey of political and religious attitudes of university students in Pakistan for honors thesis. Analyzed the relationship between religiosity and opinions on economic, social and political issues. Prepared and administered questionnaire to 600 respondents; undertook all aspects of data processing and analysis.
