Total Units	15		15		0	30

Total Units (4 yrs): 122

spec = specialization; rem.dist.= remaining distribution; LD=lower division; UD=upper division

NOTES:

- This is a sample program plan. This plan assumes that the student has completed the Entry Level Writing, American History and Institutions, Quantitative Reasoning, and Foreign Language requirements prior to admission.
- Students should understand that while L&S Breadth requirements may be moved around within the plan, that is not quite the case for the requirements for the major. For example, students should complete two of the courses from PS 1,2, 4, 5 during their first three semesters if they want to graduate in four years.
- Students are strongly advised to work with a Political Science adviser and a college adviser to determine a personal program plan. Your program plan will differ depending on previous credit received, your course schedule, and available offerings.
